

Volunteers Wanted!

Make A Difference Day

Union City Civic Center

Creek trail and park cleanup, wildflower and tree planting- come and help improve the health of your local creek !

SATURDAY, OCTOBER 22, 2016

9:00 AM TO 12:00PM

With the Hands-On Conservation Program
and Union City Parks

Students, adult volunteers and youth groups are welcome! Age 10 and up.

Bring your school's form to receive Service Learning/Community Service Hours.

You may sign up online at www.handsonconservation.org

Please download a liability waiver form from the website, sign and bring to the workday; Those under 18 need parent signature on their form.

Volunteers 12 and under should be accompanied by an adult.

Questions? Contact Amy Evans at Amy.evans@acrcd.org or call (925) 371-0154 x 112

**Hands-On Conservation Program
Alameda County Resource Conservation District**

Please Join Us!

Location: Union City Civic Center; enter from Royal Ann Drive (off of Nilas-Alvarado Rd.) and meet near the skatepark.

*We'll seed wildflowers along the creek trail in the park, spread mulch around trees, pick up litter along the creekside trail.
We'll brainstorm ways to reduce the amount of litter in our creeks, making them healthier places for people and wildlife.*

Wear work clothes and sturdy shoes that can get dirty, and bring gloves if you have them. We'll provide litter grabbers, tools, and a snack after the clean up.

PLEASE BRING YOUR OWN RE-FILLABLE WATER BOTTLE!

Protecting Alameda County Creeks, Wetlands and San Francisco Bay
